

Terms of Service

By using the parentapps.co.uk web site ("Service"), all services of Parent Apps, Inc. ("Parent Apps"), you are agreeing to be bound by the following terms and conditions ("Terms of Service"). Parent Apps reserves the right to update and change the Terms of Service from time to time without notice. Any new features that augment or enhance the current Service, including the release of new tools and resources, are subject to the Terms of Service. Continued use of the Service after any such changes shall constitute your consent to such changes. You can review the most current version of the Terms of Service at any time at: <http://www.parentapps.com/terms-of-service.html>. Violation of any of the terms below will result in the termination of your Account. While Parent Apps prohibits such conduct and Content on the Service, you understand and agree that Parent Apps cannot be responsible for the Content posted on the Service and you nonetheless may be exposed to such materials. You agree to use the Service at your own risk.

Account Terms

You must be 16 years or older to use this Service. You must provide your legal full name, a valid email address, and any other information requested in order to complete the signup process. You are responsible for all Content posted and activity that occurs under your account (even when Content is posted by others who have access to your account). You may not use the Service for any illegal or unauthorized purpose. You must not, in the use of the Service, violate any laws in your jurisdiction (including but not limited to copyright laws).

Payments and Refund Terms

Payment for the app design and build can be made via bank transfer or cheque. There will be no refunds or credits for the design and build, partial months of service, upgrade/downgrade refunds, or refunds for months unused with an open account. In order to treat everyone equally, no exceptions will be made. All fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and you shall be responsible for payment of all such taxes, levies, or duties. Parent Apps will use commercially reasonable efforts to have the application approved by the appropriate mobile platform provider. Although there is a high likelihood of approval, we do not and cannot guarantee acceptance.

Cancellation and Termination

You are solely responsible for properly canceling your account. Account cancellation requests need to be submitted by email to info@parentapps.co.uk. All of your Content will be deleted from the Service upon cancellation. This information cannot be recovered once your account is cancelled. If you cancel the Service before the end of your current paid up year, your cancellation will take effect immediately and you will not be charged again. Parent Apps, in its sole discretion, has the right to suspend or terminate your account and refuse any and all current or future use of the Service, or any other Parent Apps service, for any reason at any time. Such termination of the Service will result in the deactivation or deletion of your Account or your access to your Account, and the forfeiture and relinquishment of all Content in your Account. Parent Apps reserves the right to refuse service to anyone for any reason at any time.

The length of your agreement will be noted on your order form. The expiry date of your agreement is the same date the following years if it's a 12, 24 or 36 month agreement.

In order to cancel your agreement we will require a minimum of 60 days notice before the agreement ends. Your contract will automatically renew for a further 12, 24 or 36 months which is equal to the same length of time as your original agreement should we not receive your cancellation email. For example if you sign a 3 year agreement you agree that you will be automatically enrolled into another 3 year agreement. Once you are automatically enrolled onto a new agreement then you are legally bound to pay for each years annual subscription in full.

100% Satisfaction Guarantee Terms

If for whatever reason you are unsatisfied with your mobile application within the first month of service, Parent Apps guarantees to refund the first 12 months of service with no questions asked only if the 12 months service has already been paid in advance. If the service is paid for monthly then we will only refund the first month of service. Parent Apps is backed by a 100% satisfaction guarantee. This guarantee does not apply to any annual payment after a full 2 months service has passed and only applies to the initial 12 months of service with Parent Apps. Monies paid for the design and production of a mobile app are not covered under our money back guarantee.

Modifications to the Service and Prices

Parent Apps shall not be liable to you or to any third party for any modification, price change, suspension or discontinuance of the Service. From time to time, Parent Apps may issue an update to the Parent Apps application, which may add, modify, and/or remove features from the application. These updates may be pushed out automatically with little or no notice, although Parent Apps will do everything in its power to notify you in advance of an upcoming update, including details on what the update includes.
